

USAID
FROM THE AMERICAN PEOPLE

USAID Administrator's Vision

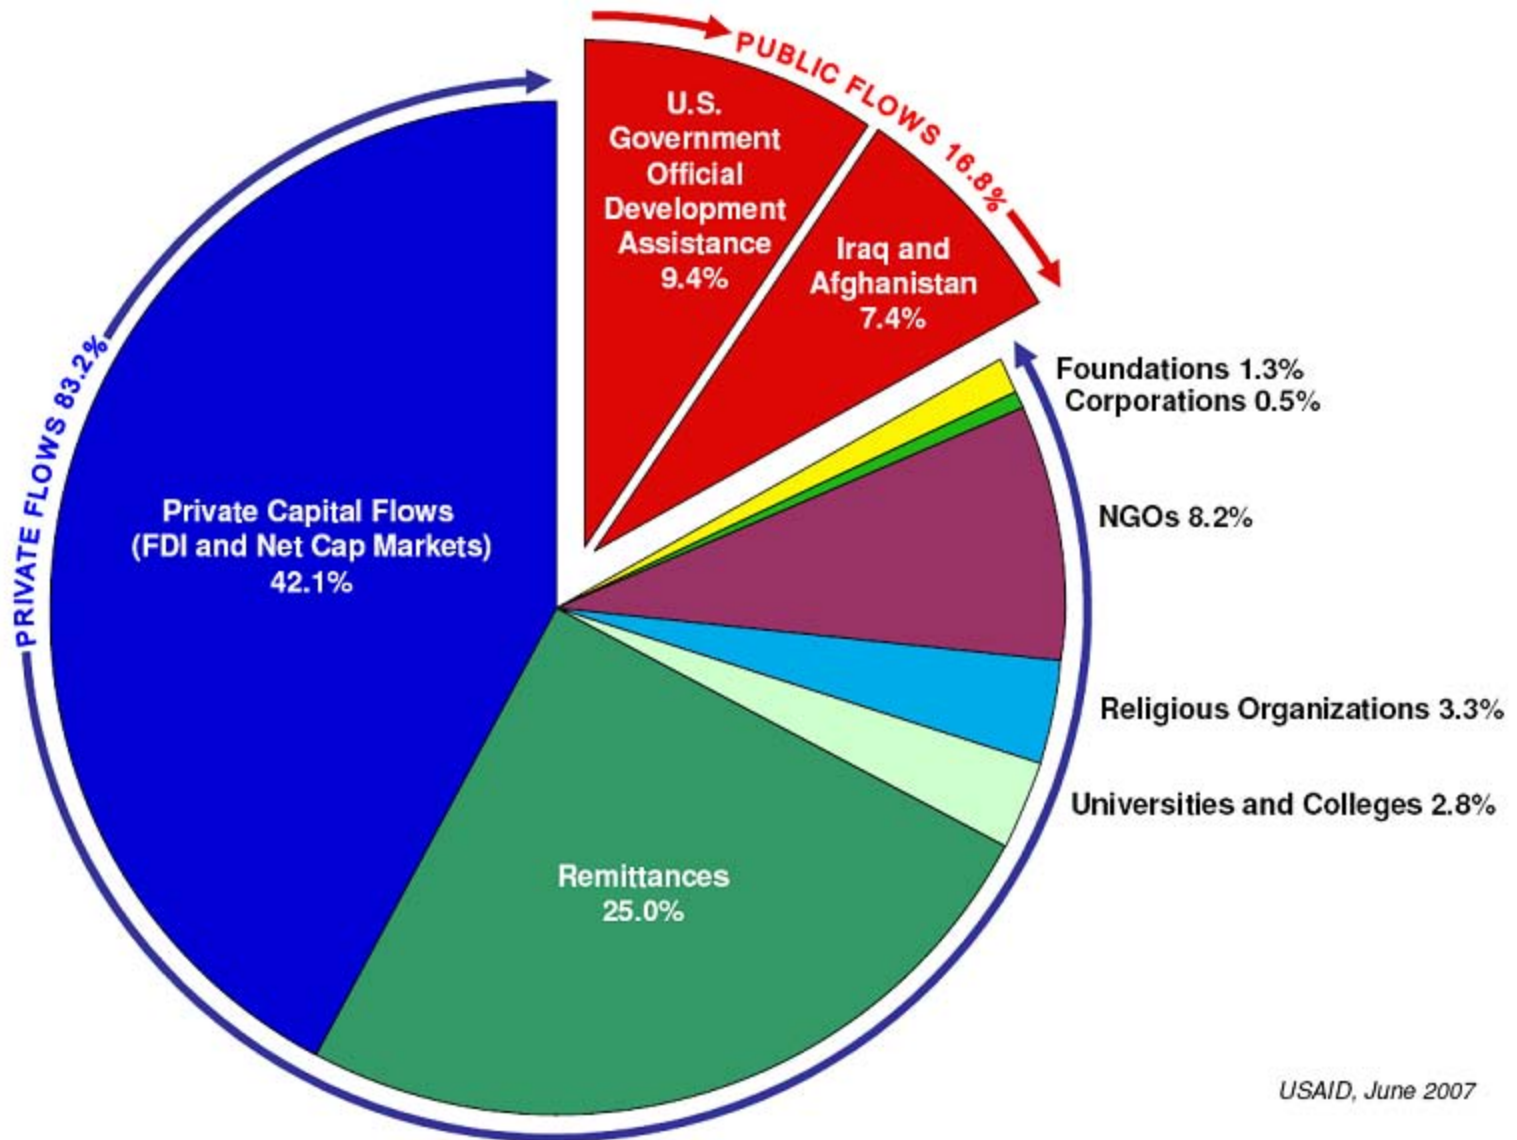

*“Bringing the public and private sector together has encouraged **innovative approaches, more effective problem-solving and deeper development impact.** Expanding and deepening private-public partnerships is one of my highest priorities at USAID.”*

- Henrietta Fore

US Total Resource Flows to the Developing World in 2005: \$164 Billion

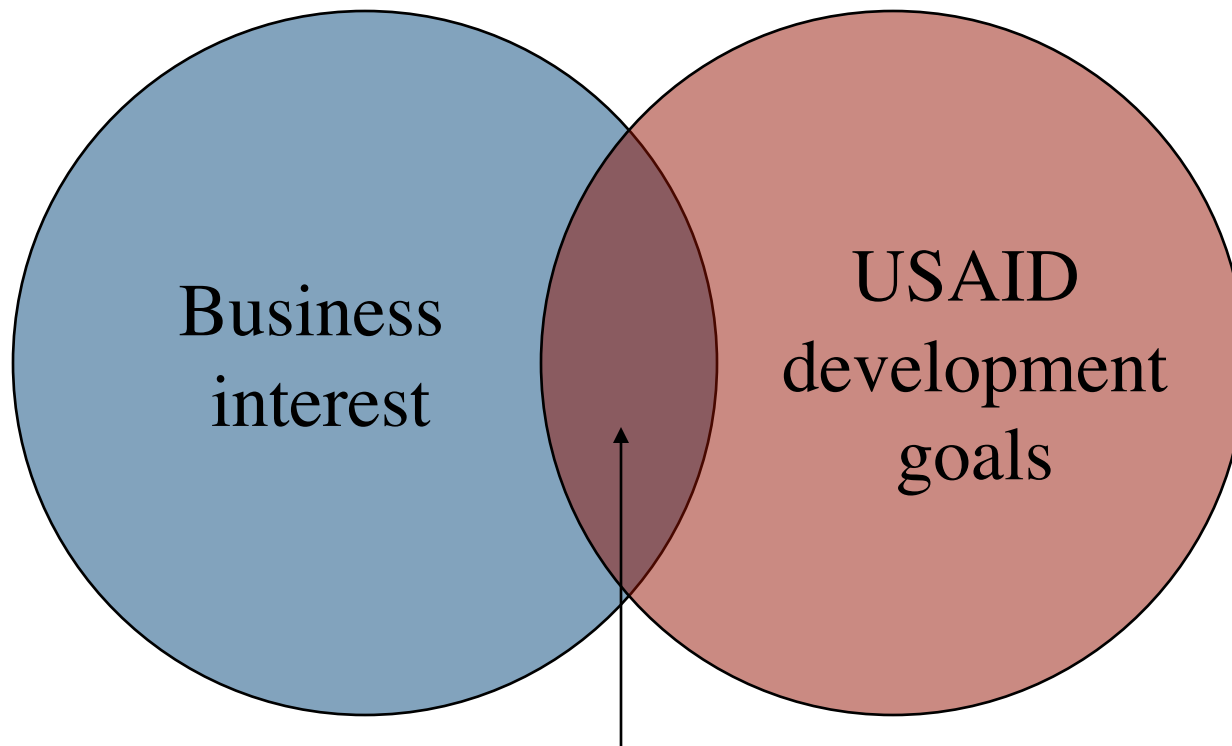

USAID, June 2007

USAID
FROM THE AMERICAN PEOPLE

Alliances work at the intersection of public and private interests

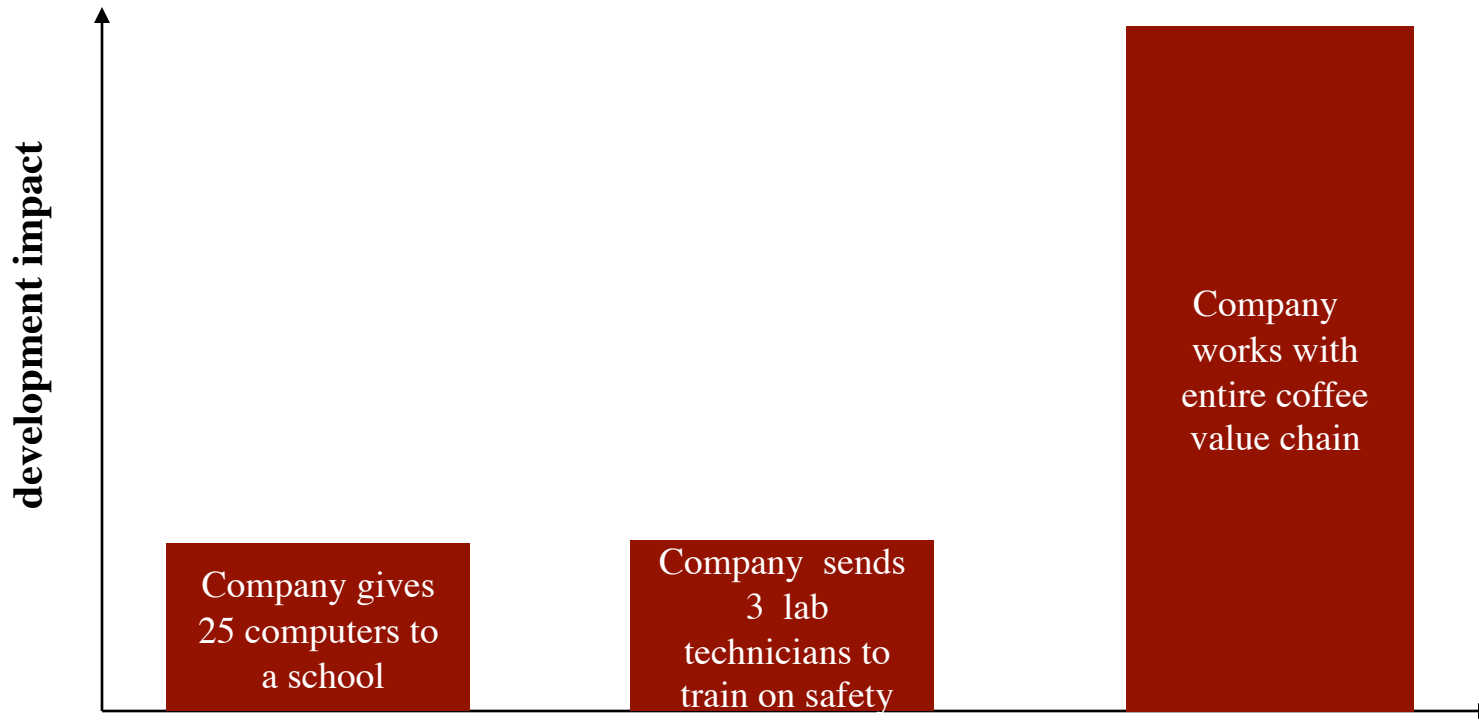

Delivers greater impact with fewer alliances

USAID
FROM THE AMERICAN PEOPLE

When you think alliances think strategic

It takes almost the same amount of time to complete these GDAs.
